Some Astrological Terms:

Fire signs (Aries, Leo, Sagittarius) have strong natural vitality and are always active. Feeling stressed when not able to move, exercise, and explore.

Earth signs (Taurus, Virgo, Capricorn) respond well to natural remedies, and diet has a more direct and obvious effect on their health than for other people

Air signs (Gemini, Libra, Aquarius) tend to nervous exhaustion, so it's important for them to take B vitamins and get proper sleep. Exercise that focuses and grounds can also be beneficial and calm overactive minds: yoga, tai chi, qi gong,

Water signs (Cancer, Scorpio, Pisces) overwrought emotion & moodiness...need balanced diets & to avoid emotional eating. Need more sleep/downtime than other signs, etc.
