NEW!!! Online Classes at Avalon
Classes begin April 27, 2015!

Professional Astrology Certificate (PAC)

**An Apprenticeship Program: Practical Program Designed
to Help You Develop Professional Competency!**

 Classes meet online 2 evenings per week and each class is 2 hours in length.

 If you enroll in the entire program, it will take 2 1/2 years to complete the program (PAC program described below).

 These courses are designed to enable you to become a professional astrologer. We will train you in every aspect of becoming a professional, including details on how to attract clients, counsel ethically, etc.

 Your instructor is the internationally recognized and highly respected astrologer David Cochrane. David will train you and work with you to master the system of interpretation that he uses. You will be studying with a master.

 If you do not wish to practice professionally, you may still enroll in these courses and learn David's methods of astrological interpretation.

 The courses are practical and designed to empower you to be an expert astrologer! After about a year and a half of studies, we will begin the process of assisting you to establish your astrological practice if you wish to be a professional.

REGISTRATION REQUIREMENTS

- ★ NEW STUDENTS REQUIREMENTS:
 - Completed Application Form and Registration Form
 - Computer with sounds and video, Printer, & Internet Connection
 - Sirius, Superb Astrology Software (can be purchased at Cosmic Patterns, discount applies to enrolled Avalon students)

A PERSONAL NOTE FROM DAVID COCHRANE

If you are interested in developing professional proficiency in Vibrational Astrology which is the methods that I have developed, please consider enrolling in this program. You will be glad you did.

Over the 2 1/2 years of this program, I will devote time and attention to every student. Obviously, this is not a learning program for everyone, but if

you do enroll, I can guarantee that this will be an enlightening experience for you. You will participate with a small community of other students and with me on a journey of discovery.

Most importantly, I am committed to making to sure that you master the ideas so that you can use them at a professional level if you wish to.

If you have any questions, don't hesitate to contact us either by phone or E-mail!
